The Annual Conference and Assembly of the Inter-American Property Registration Network (CONFCAT) is scheduled to November 11 to 13, 2024. Brazil will host the tenth edition of the event, which will take place in Brasília (DF).

This year's central theme is "Registration and Registration for the democratization of access to land". The objective is to encourage dialogues and exchanges of good practices between authorities on the relevance of property registration and registration for the democratization of access to land. Another intention of the event is to act as a control mechanism against climate change and environmental degradation.

The event will bring together, in the Brazilian capital, senior authorities from the public and private sectors, as well as experts from civil society on property registration and registration.
